The Mc Mahon brothers, Ford dealers in the village, had a long talk with Mr. Ford on Sunday morning. Their camp consisted of one large tent and seven small ones.

A new automobile route known as the Ethan Allen tras is being marked with blue and white bands. This route extends from Bretton Woods to Burlington by way of St. Johnsbury, Hardwick, Morrisyille, Cambridge, and Essex Junction. When the Smugglers' Notch road is completed it is expected that a detour to the Ethan Allen trail will be made making the trip from St. Johnsbury to Burlington only five miles longer and giving the tourists a glimpse of Vermont's prettiest scenery.

For years it has been proved that so-called external remedies applied to or inserted in the rectum cannot cure piles, and at the best can only give temporary relief. Surgical operations also do not remove this cause, but simply the formation.

This wonderful prescription, known as Miro Pile Remedy, is so efficient in the treatment of piles, that even chronic cases of from 20, 30 years standing with profuse bleeding have been completely cured in from three to ten days. Think of it! Just a few doses of a carefully balanced prescription and the most persistent case of piles is absorbed, never to return.

The Ideal Woman.

The great Napoleon once said: "My ideal woman is not the beautiful-featured society belle, whose physician tries in vain to keep her in repair, but the matron who reaches middle age in complete preservation—that woman is ren-dered beautiful by perfect health." To attain such health in middle life, a woman must guard against those ills which drag her down and produce nervousness, headache, backaches, sleeplessness and "the blues." The standard remedy such conditions is Lydia E. Pinkham's Vegetable Compound, which for fortyfive years has been restoring women to health and strength.-Adv.
